

It is appointed unto men once, but after this the judgement.

The Bible: Hebrews Ch. 9:27

There is nothing we can do. However God has made the way of escape for us by sending Jesus to die on our behalf.

The Bible tells us that Jesus came to this earth and was punished in our place; so that if we turn to Him and accept His sacrifice for us then we can escape eternal punishment.

WHERE IS YOUR TREASURE?

No one is good enough to be found not guilty in God's sight, and no amount of earthly wealth will change that.

There is none righteous, no not one.....there is none that doeth good no not one.

The Bible : Romans. Ch.3: 10-12

To escape this punishment and have the true treasure that Jesus spoke of, you need to turn to God, repent of your sin, and accept His free gift of salvation. You can do so right now where you are.

The Bible says that those who are found guilty on the day of judgement and do not have their names in the book of life, will be cast into eternal punishment. Riches will not be able to buy a way of escape then.

So how can we escape the judgement to come?
